Product Dimensions: 0.5 x 6.2 x 9 inches

Shipping Weight: 7.2 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars See all reviews (2 customer reviews)

Best Sellers Rank: #990,874 in Books (See Top 100 in Books)   #25 in Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Education   #96 in Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Art & Photography   #3048 in Books > Textbooks > Humanities > Literature > Creative Writing & Composition

Customer Reviews

Judging from the title, I expected more lessons and ideas than book lists...but that is mostly what it is. I could get a book listing from a variety of sources...workshops, online, websites, etc. But [money] for a list of books...I should have looked this one up in a bookstore/college library before I bought it.Disappointed

This is a great resource to use for teaching writing. The organization of the book is divided into the six traits with suggestions of various books and ideas to use with those books. As a teacher, I will use some of the ideas with my favorites. It has some new ways of looking at books to teach writing. There is even some non-fiction book suggestions included with ideas for writing. Content writing is becoming more exact and it is often hard to find a resource that will help me teach that type of writing.
