This is an excellent resource. I use this for my advanced 1st graders and for my older students for which the level is appropriate or a challenge. The activities are engaging and sequential. It is easy to align instruction to the text in small or large group or one-on-one. Excellent series!

Focuses on multiple-meaning words, analogies, synonyms and antonyms. Book offers a link to a website to listen to words and stories online.

Awesome book. Great independent study. Perfect for my 7 year old.

Just a well put together book, but I wish they had used different vocabulary words.
